

Refuge Youth Ministries

October Newsletter

The Book of James

On Sunday nights we have been studying the book of James. Ask your youth what they have been learning! We break into small groups after the message to continue the discussion.

We have also added an element of worship to Sunday nights, which includes songs.

Student Leadership Team

All high schoolers are invited to apply for Refuge's Student Leadership Team. This team will include being servants in our ministry, helping plan events, learning how to be leaders, and discipling other students.

Ask Elizabeth for an application!

Trunk-or-Treat

In lieu of youth programming this night, all youth will be asked to help with trunk-or-treat. Whether your family decorates a trunk, youth helps with games, or helps with the hot dog supper fundraiser, please plan to help this church-wide ministry event!

For Parents Only

For those iPhone user, iOS11 has a great new feature that all parents should know about: **Do not disturb while driving**. You can enable your phone to not send notifications, or limited ones, while driving. It will also send auto-reply messages, so you can feel better texting your youth knowing they won't be distracted! Check out more information [here](#)
